

Anytime (B.B.Blue)

1.

Anytime, anywhere - I'll be right back by your side
Anytime I will care, - for my Baby, she's my bride
*Sweet girl you're mine,
When I'm with you - I feel fine!*

2.

Anytime, that you cry - I will dry out all your tears
Anytime you get frightened - I'll blow away all your
fears!
*Sweet girl you're mine,
When I'm with you - I feel fine!*

3.

Anytime, you feel bad - let me be your medicine-man
Anytime, you feel sad - I'll comfort you and understand

*Sweet girl you're mine,
When I'm with you - I feel fine!*

*Sweet girl you're mine,
When I'm with you - I feel fine!*

*Sweet girl you're mine,
When I'm with you - I feel fine!*
